THE BEST KIND OF *Spoiler Alert*

Know the moment something important happens with your account with Secure Alerts.

WITH SECURE ALERTS, WE NOTIFY YOU IN REAL-TIME WHEN SOMETHING IMPORTANT HAPPENS WITH YOUR ACCOUNT.

Choose from dozens of customizable alerts that can be sent instantly via email, *text, or by push notification to your smartphone or other device with our Mobile Banking app.

Setup alerts from Online Banking (desktop)

1. Log on to Online Banking. If not already enrolled, click on Enroll under the Alerts option (towards the top of the homepage). Otherwise, select Manage Alerts.
2. Click each category in Alert Options to view the list of available alerts.
3. Select the Alerts you want to receive for each account. Then check how you would like to receive them and click save.

Setup alerts from Mobile Banking (app)

1. Log on to Mobile Banking. Tap More.
2. Choose Alerts and enable Push Notifications.
3. Choose the account you would like to setup the alert for and tap "Add New Alert."
4. Select the desired alert and follow the on-screen prompts.

**Message and data rates apply.*

Note: push notifications can only be setup from our mobile app.
